

NON-JUPAS ADMISSIONS

Selection Process and Entrance Requirements

Eligibility

Candidates who wish to apply for admissions on qualifications other than Hong Kong Diploma of Secondary Education (HKDSE) examination or mainland China's National Joint College Entrance Examination (NJCEE / Gao Kao) should submit their applications via the Non-JUPAS Admissions Scheme.

Application Procedures

All non-JUPAS applications should be submitted via the online application system by noon of December 30, 2016 (Hong Kong Time). Scanned copies of the following documents should also be uploaded to the online document upload system by the application deadline. Late submission of supporting documents will delay the consideration of applications.

- (1) Official prediction of grades or scores from your current high school (if available);
- (2) All internal and public examination results during your senior secondary education; and
- (3) At least one academic reference letter.

Shortlisted applicants for the BBA(IBGM) programme or BSc(QFin) programme will be interviewed. Optional interviews for other programmes will be arranged if necessary.

University Entrance Requirements

All non-JUPAS applicants are required to fulfil the below University Entrance Requirements:

- (1) General Academic Requirement (International Qualifications or National Qualifications);
- (2) English Language Requirement; and
- (3) Second Language Requirement (i.e. any language other than English).

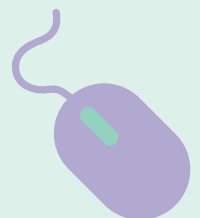

Faculty Entrance Requirements

Due to the complex combination of education background of applicants, each application will be assessed individually on its own merits.

From past experience, candidates with predicted GCE A-Level and / or International A-Level score of AAB or better in a single sitting; or predicted IB score of 33 or better (including bonus points) in a single sitting would make the application competitive for admissions.

Announcement of Result

Offer results will be released from November 2016 onwards. All application status will be updated in the online application system. Applicants are encouraged to check their application status online regularly.
